Once you have found each geocache, please note the code word and record it on this sheet. When you have found all 12 geocaches, and have logged all your finds on geocaching.com's website, email (bsapotom@gmail.com) with the list of code words matched with the correct geocache, along with your geocaching.com user ID, and a mailing address. There is a limited number of Cache to Eagle patches that will be awarded to those that send in the correct code word/cache combinations, until the supply runs out.

GOOD LUCK!!!

HAVE FUN!!!!
