

Cub Scout Leaders

The Potomac Council will be offering Cub Scout Leader Specific training at the Potomac Council in Cresaptown, MD, on Saturday, October 22nd, from 9:00am to 1:00pm. Cubmaster, Webelos, Bear/Wolf, and Tiger Leader training will be available. All Leaders should plan to attend to get trained on the new Cub Scout program. Whether you have been with Cub Scouts for ten years or for one day, this training is a valuable asset to you and to your Cub Scout Pack. Trained leaders lead to happy Cub Scouters (and less stressed adult volunteers!) We will also offer Youth Protection Training after 1:00pm for those that still need to get trained.

Registration will begin at 8:30am. All you need to bring is yourself, a notebook, and a pen or pencil! Please reply to this email or call the Council at 301-777-1300 if you plan to attend. I hope to see you all there!
